

Name: \_\_\_\_\_

Habitat: \_\_\_\_\_

## Food Web Mobile Illustrations

### Instructions:

1. Draw an illustration of the consumers and producers from your organizer.
2. Add one drawing per sheet of paper.
  - a. Use the entire sheet for your illustration and
3. Include 3 important physical traits for each consumer in your drawing. Use the area below to plan which traits you will include in your drawing.

A **physical trait** is a characteristic of a plant or animal that you can see. Traits are passed down from parents to offspring.

Species: \_\_\_\_\_

Physical traits: 1. \_\_\_\_\_ 2. \_\_\_\_\_ 3. \_\_\_\_\_
