

My Global Citizen Action Card

My Reflections:

I now understand that...

One connection I had never noticed before is...

One issue I care about is...

One action I can start is...

I could do it with...

If other people joined me, this could become...

DREAM BIG

If my action reached 100 people...

If it reached 1,000 people...

If it travelled beyond my community...

My Global Citizen Promise

Because we are connected, I will...
